C. Upon such application the judge may enter an ex parte order, as requested or as modified, authorizing or approving interception of wire, electronic, or oral communications within the territorial jurisdiction of the district in which the judge is sitting, if the judge determines on the basis of the facts submitted by the applicant that:

D.(1) Each order authorizing or approving the interception of any wire, electronic, or oral communication shall specify:

E. No order entered under this Section may authorize or approve the interception of any wire, electronic, or oral communication for any period longer than is necessary to achieve the objective of the investigation, and in no event longer than thirty days. communication under this Subsection shall be done in such way as will protect the recording from editing or other alterations. Immediately upon the expiration of the period of the order, or extensions thereof, such recordings shall be made available to the judge issuing such order and sealed under his directions. Custody of the recording shall be wherever the judge orders. They shall not be destroyed except upon an order of the issuing or denying judge and in any event shall be kept for ten years. Duplicate recordings may be made for use or disclosure pursuant to the provisions of R.S. 15:1309(A) and (B) for investigations. The presence of the seal provided for by this Subsection, or a satisfactory explanation for the absence thereof, shall be a prerequisite for the use or disclosure of the contents of any wire, electronic, or oral communication or evidence derived therefrom under R.S. 15:1309(C).

(2) Applications made and orders granted under this Chapter shall be sealed by the judge. Custody of the applications and orders shall be wherever the judge directs. * * *

(4) Within a reasonable time, but not later than ninety days after the filing of an application for an order of approval, the issuing judge shall cause to be served, on the persons named in the order of the application, and such other parties to intercepted communications as the judge may determine in his discretion to be in the interest of justice, an inventory which shall include notice of:

* * *

(c) The fact that during the period wire, electronic, or oral communications were or were not intercepted. The judge, upon the filing of a motion, may in his discretion make available to such person or his counsel for inspection such portions of the intercepted communications, applications, and orders as the judge determines to be in the interest of justice. On an ex parte showing of good cause to a judge in whose district the interception of wire, electronic, or oral communications took place, the serving of the inventory required by this Subsection may be postponed until such time as may be appropriate in the circumstances.

* * *

G. The contents of any intercepted wire, electronic, or oral communication or evidence derived therefrom shall not be received in evidence or otherwise disclosed in any trial, hearing, or other proceeding in any court unless each party, not less than thirty days before the trial, hearing, or proceeding, has been furnished with a copy of the court order, and accompanying application, under which the interception was authorized or approved. This thirty-day period may be waived by the judge if he finds that it was not possible to furnish the party with the above information thirty days before the trial, hearing, or proceeding and that the party will not be prejudiced by the delay in receiving such information.

H.(1) Any aggrieved person in any trial, hearing, or proceeding in or before any court, department, officer, agency, regulatory body, or other authority of the state, or a political subdivision thereof, may move to suppress the contents of any intercepted wire, electronic, or oral communication, or evidence derived therefrom, on the grounds that:

* * *

(2) Such motion shall be made before the trial, hearing, or proceeding, unless there was not opportunity to make such motion or the person was not aware of the grounds of the motion. LOUISIANA SENATE

June 7, 2012

The Honorable Bobby Jindal, Governor
State of Louisiana

Dear Governor Jindal:

I respectfully request that you veto SB 677, regarding the New Orleans Regional Business Park.

While I fully support the spirit of the legislation that I championed during session, certain items have come to light following its passage that require me to request a veto.

Originally I proposed the bill to revamp New Orleans Regional Business Park into an entity focused on pursuing expansive economic development in New Orleans East. I based the model for development entity off of the Downtown Development District and Algiers Development District, both of which were extremely successful in revitalizing their respective areas within New Orleans. With the support of many members of the current Business Park board, I sought to reconfigure it to address this obvious need.

The reasons I am requesting the veto are as follows:

After the legislation was initially drafted and with the support of my colleagues in the Greater New Orleans Area, I added a provision for the creation of a Tax Increment Financing district as an opportunity to provide a dedicated revenue stream for the New Orleans East Hospital. However, after further review it is clear that the creation of a Tax Increment Financing district should be through separate legislation.

Legislation proposing the creation of a Tax Increment Financing district should include a provision that puts the issue to a vote of the people to avoid taxation without representation.

Rather than reinventing the New Orleans Regional Business Park as a development district, a separate, new entity should be created. Following the passage of the bill, my office was inundated by communication from my constituents in support of a new development district. This would allow the current New Orleans Regional Business Park to focus on its mission of attracting new business from outside the state. A new entity would then be responsible for guiding development within the area.

Following the passage of the bill, several constituents requested that the governing body of a development district include area community and business representatives in addition to political appointees.

I urge you to exercise your authority to veto this bill in order to afford me the opportunity to address each of these concerns, which were brought to my attention only after the bill reached final passage.

Following this veto, I intend to submit new legislation during the next session that will create a new development district and create a Tax Increment Financing district to fund a world-class hospital in New Orleans East.

Thank you for your continued commitment to New Orleans East, and I look forward to working with you to perfect the language of the legislation.

Sincerely,
JEAN-PAUL J. MORRELL
State Senator

Re: Senate Bill No. 362 by Senator Morrell

Dear Mr. Koepp:

Senate Bill No. 362 by Senator Morrell would allow truck stop facilities to close their restaurants more often than currently permitted, while still allowing them to operate their video poker devices.

Current law requires qualified truck stop facilities to meet certain standards and maintain certain amenities in order to have video poker devices on their premises. I am concerned that this bill would weaken these existing safeguards found in current law.

For this reason, I have vetoed Senate Bill No. 362 and hereby return it to the Senate.

Re: Senate Bill No. 363 by Senator Martiny

Dear Mr. Koepp:

Senate Bill No. 363 by Senator Martiny changes the law governing the mandatory revocation of a licensed entity after the licensee has three or more underage gaming violations.

Current law provides that for a third or subsequent violation, a license must be revoked if the licensee, his employee or agent knowingly allowed a person under the age of 21 to play a video draw poker device or allowed a person under the age of 15 to play a video draw poker device regardless of what the licensee knew about the age of the person.

Instead, this bill repeals this mandatory revocation provision and replaces it with a less stringent process.

It is important that licensed entities know that there are serious consequences for allowing minors to play video poker devices. I am concerned that this legislation would undermine this important safeguard in current law.

For this reason, I have vetoed Senate Bill No. 363 and hereby return it to the Senate.

Sincerely,
BOBBY JINDAL

Re: Senate Bill No. 365 by Senator Martiny

Dear Mr. Koepp:

Senate Bill No. 365 by Senator Martiny provides that qualified truck stop facilities which comply with one level of the required monthly fuel sales for five consecutive years will be permitted to retain the same number of video poker devices they operated during that five-year period if they simply continue to meet the lowest fuel sales requirement.

Under current law, if a facility has a monthly average sale of 100,000 gallons of fuel, then it can operate up to 50 devices. If a facility has a monthly average sale of 75,000 gallons of fuel, then it can operate up to 40 devices. And if a facility has a monthly average sale of 50,000 gallons of fuel, then it can operate up to 35 devices.

Not having to consistently meet the same level of fuel sales in order to operate the same number of video poker devices lessens our standards.

For this reason, I have vetoed Senate Bill No. 365 and hereby return it to the Senate.

Sincerely,
BOBBY JINDAL
Governor

Re: Senate Bill No. 577 by Senator Peterson

Dear Mr. Koepp:

Senate Bill No. 577 by Senator Peterson will cost the Louisiana Workforce Commission (LWC) at least \$300,000 to implement.

Funding for SB 577 was not appropriated by the Louisiana Legislature. Therefore, this legislation would force LWC to take funds away from critical services for the disabled to fund the taskforce because the agency's only available source of State funding is for the Louisiana Rehabilitative Services (LRS) program.

For this reason only, I have vetoed Senate Bill No. 577 and hereby return it to the Senate.

Re: House Bill No. 38 by Representative Jones

Dear Mr. Koepp:

House Bill No. 38 by Representative Jones forgives a debt owed to a retirement system by a retiree who received retirement benefits while rehired. The bill sets a dangerous precedent for legislation to grant special benefits to select individuals.

Louisiana's public pension systems impose a large burden on Louisiana taxpayers. We cannot continue to grant additional benefits as we struggle to get our retirement debt and costs under control. The

Re: House Bill No. 988 by Representative Jones

Dear Mr. Koepf:

House Bill No. 988 by Representative Jones retroactively increases benefits for certain adult probation and parole officers within Louisiana State Employees' Retirement System (LASERS).

The beneficiaries of the changes in House Bill No. 988 are not asked to pay more to support these increased costs, even though adult probation and parole officers who have received similar increases in benefits were required to fund the upgrade. LASERS has asked for a veto of the bill.

Louisiana's public pension systems impose a large burden on Louisiana taxpayers. We cannot continue to raise state retirement benefits at the expense of other critical areas like higher education and healthcare.

I vetoed House Bill No. 478 of the 2011 Regular Session, which included similar provisions.

For these reasons, I have vetoed House Bill No. 988 and have returned it to the House of Representatives.

Re: House Bill No. 1104 by Representative Katrina Jackson

Dear Mr. Koepf:

House Bill No. 1104 creates duplicative and burdensome reporting requirements for agencies administering tax incentives.

The Louisiana Department of Economic Development issues regular reports and analyses on its incentive programs. The Louisiana Department of Revenue creates a comprehensive Tax Exemption Budget which covers all tax incentives administered by state agencies every year. Furthermore, Act 365 of 2011 provides for a review of the Tax Exemption Budget by the House Committee on Ways and Means and the Senate Committee on Revenue and Fiscal Affairs every odd-numbered year.

For this reason, I have vetoed House Bill No. 1104 and have returned it to the House of Representatives.

Dear Mr. Koepf:

Dear Mr. Koepp:

Senate Bill No. 321 by Senator Martiny would allow certain criminals convicted of crimes of violence to become eligible for parole. Contrary to the author's intent, the language employed in the bill is too ambiguous and could have inadvertent consequences. This language could allow a criminal who committed a violent act, even though they did not physically harm the victim, to become eligible for parole and released from jail.

Re: Senate Bill No. 673 by Senator Erdey

Dear Mr. Koepp:

Senate Bill No. 673 by Senator Erdey diverts dollars away from the State General Fund to a local real estate development at the Juban Crossing Economic Development District.

There is an existing process through which a project can receive a State match for local tax increment financing revenues committed to the project. If the Louisiana Department of Economic Development (LED) determines that providing a State match for a project will result in a positive return on investment to the State, LED may submit the project for approval to the Joint Legislative Committee on the Budget.

For these reasons, I have vetoed Senate Bill No. 673 and hereby return it to the Senate. I encourage the author and the supporters of the Juban Crossing project to continue to work with LED.

Sincerely,
BOBBY JINDAL
Governor

RE: House Bill No. 1 of the 2012 Regular Session of the Legislature provides for the ordinary operating expenses of state government for Fiscal Year 2012-2013

Dear Gentlemen:

As authorized by Article III, Section 18(B), and more particularly, Article IV, Section 5(G)(1) of the Constitution of Louisiana, I have exercised my right to veto 10 items of the General Appropriation Bill. I respectfully request that you deliver on my behalf the following message to the members of the Legislature:

This budget builds on our efforts to reform and restructure government to improve the delivery of services, save taxpayer dollars and position our state for more economic growth. It also represents a prudent approach that balances spending restraint with practical solutions that protect critical services like higher education and healthcare.

The budget reduces the number of appropriated state government positions by 6,177, which brings the total number of positions reduced since 2008 to 16,058. Since January 2008, the total number of state employees has already been reduced from more than 100,000 to less than 88,000 - the lowest level in more than 20 years, even before the new position reductions authorized by this budget.

The state General Fund portion of the budget is \$22 million less than the current-year budget. Total state funding included in the budget is \$100 million less than the current year.

I have vetoed the following items in House Bill No. 1:

Veto Message No. 1
Page 54, lines 45-51, and Page 55, lines 1-15:

This will reduce funding to streamline the department by realigning its expenditures to spending patterns based on a three-year average and will help to comply with the \$15 million preamble adjustment, and reflects the fact that the department has four funded vacant positions; therefore, I am vetoing this item.

Veto Message No. 2
Page 75, lines 4-6:

This activity has been adequately funded and this veto will help to comply with the \$15 million preamble adjustment; therefore, I am vetoing this item.

Veto Message No. 3
Page 76, lines 39-41:

This item exceeds the projected revenue available from the official Revenue Estimating Conference forecast and any unobligated fund balance; therefore, I am vetoing this item.

Veto Message No. 4
Page 93, lines 1-40:

The consolidation of J. Levy Dabadie Correctional Center into Avoyelles Correctional Center allows the state to streamline the Department of Corrections while still providing the same services and will help to comply with the \$15 million preamble adjustment; therefore, I am vetoing this item.

Veto Message No. 5
Page 130, lines 7-20:

This language is unnecessary to achieve the goals and objectives of the department; therefore, I am vetoing this item.

Veto Message No. 6
Page 130, lines 30-34:

The Department of Health and Hospitals needs to have flexibility in implementing reimbursement methodologies; therefore, I am vetoing this item.

Veto Message No. 7
Page 130, lines 39-46:

Requiring this approval before rules can be promulgated would cause delays in the implementation of the service, reduce budgeted savings by increasing the expenses of the initiative, and cause the budget to be out of balance; therefore, I am vetoing this item.

Veto Message No. 8
Page 130, lines 47-50:

The implementation of this amendment would limit the budgetary discretion of the department during fiscally challenging times; therefore, I am vetoing this item.

Veto Message No. 9
Page 131, lines 19-21:

This amendment would increase the expenses of the program and cause the budget to be out of balance; therefore, I am vetoing this item.

Veto Message No. 10
Page 282, lines 23-30:

House Bill No. 183 of the 2012 Regular Session of the Louisiana Legislature was not enacted into law; therefore, I am vetoing this item.

Sincerely,
BOBBY JINDAL
Governor

Re: House Bill No. 183 by Representative Leger

Dear Mr. Koepf:

House Bill No. 183 by Representative Leger diverts the first \$1.8 million dollars away from the Support Education in Louisiana First (SELF) Fund, a fund used to support salary expenses for K-12 and higher education, to a new Casino Support Services Fund.

House Bill No. 183 restructures the revenue flow into the SELF Fund and imperils future funding for K-12 and higher education salaries. The objective of the bill is to fund the City of New Orleans' casino support services contract, which has already been achieved through HB 1.

For these reasons, I have vetoed House Bill No. 183 and have returned it to the House of Representatives.

Sincerely,
BOBBY JINDAL
Governor

Re: House Bill No. 823 by Representative Greene

Dear Mr. Koepf:

House Bill No. 823 by Representative Greene conflicts with House Bill No. 1014 which became Act 429 of 2012.

The Louisiana Real Estate Appraisers Board has requested a veto on the basis that "Allowing HB 823 to become law would not only be duplicative of Act 429, but would undo the federally required technical amendments now part of Act 429."

Additionally, the Louisiana Real Estate Appraisers Board states that "Act 429 represents the combined work and support of all stakeholders, including the Homebuilders Association, Louisiana Realtors Association, Louisiana Bankers Association, and both Federal and State Appraisal Institutes."

For these reasons, I have vetoed House Bill No. 823 and have returned it to the House of Representatives.

Sincerely,
BOBBY JINDAL
